

DrRacket Version Tool

Version 8.11.1

November 27, 2023

`(require version/tool)` `package: drracket`

The `version/tool` library implements a DrRacket tool that

- makes the patchlevel display as a version $p\langle N \rangle$ suffix in DrRacket (though the base version reported by `(version)` is not changed);
- if enabled by the user, periodically checks whether a new Racket distribution is available for download.
